Key Management Resumes

Issa Asad

Issa Asad is the President & CEO or Managing Member of Various Companies (Quadrant Holdings Group LLC, Q Link Wireless, NCOM Networks, RTN Networks, Reliable Telecard), these are some of the nation's premier telecommunications providers in the United States today, representing VoIP, wireless and prepaid service providers, manufacturers and suppliers in the new world of Internet-based and wireless communications and entertainment.

A respected Telecom veteran with more than 15 years' experience in telecommunications, Mr. Asad joined the Telecommunications industry in 1996 and has led the organization's growth into the top telecommunications providers in the nation. Intelecard News magazine has profiled Mr. Asad as a telecommunications executive with "real vision." The Prepaid Press newspaper has featured Mr. Asad as a "Telecom Mover of the Month" and labeled him as a "playmaker" - one of the "top telecommunications executives" in United States. He has been recognized by Who's Who in Telecom.

Prior to establishing his footprint in the Prepaid Telecommunications industry, Mr. Asad served as President & CEO of the South Florida Grocers Network.

Companies and their owners who endure in the prepaid industry are worthy of recognition because they are rare. As CEO and owner of Reliable Telecard and I-Prepay Inc, Issa Asad began in retail as an owner, operator and developer of convenience stores and gas stations in New York and Florida.

Considered a pioneer, he was the first station owner to implement fast food into service offerings, beginning with Fine Foods. Asad also led the grocers industry to incorporate ATMs, convenience stores and Check Cashing stores into grocery's and stations.

In 1996, he realized the potential of phone cards to the immigrant market and began offering phone cards from his stores. By the late 90s, prepaid wireless was emerging and, with his retail background, Asad knew the long-term play was electronic delivery. In the spring of 2000, he teamed with Reliable Telecard and I-Prepay Inc and developed a real-time PIN delivery system for the electronic delivery of prepaid products.

There he led a broad market restructuring that resulted in record sales and revenues, increased stature for the industry, and significant telecom marketing victories.

Please read these Q LINK WIRELESS LLC Terms and Conditions of Service carefully. These Q LINK WIRELESS LLC Terms and Conditions of Service are a legally binding agreement between you and Q LINK WIRELESS LLC. They contain important information about your legal rights and require that certain disputes be resolved through Arbitration instead of a court trial. Q LINK WIRELESS LLC reserves the right to change or modify any of these Q LINK WIRELESS LLC Terms and Conditions of Service at any time and at its sole discretion. Any changes or modifications to these Q LINK WIRELESS LLC Terms and Conditions of Service will be binding upon you once posted on the Q LINK WIRELESS LLC website on our website. You should check the Q LINK WIRELESS LLC website regularly for updates to these terms.

By enrolling in the Q LINK WIRELESS Program (the "Q LINK WIRELESS Program" or "Q LINK Program") and by using the Q LINK WIRELESS service (the "Q LINK WIRELESS Service" or "Q LINK Service"), you ("You"), the participant, acknowledge and agree to the following terms and conditions:

1. Q LINK WIRELESS PROGRAM DESCRIPTION.

Q LINK WIRELESS Service is funded by the Universal Service Fund Lifeline program and administered by the Universal Service Administrative Company. In order to qualify for enrollment in the Q LINK WIRELESS Program, a person must meet certain eligibility requirements set by each state where the Q LINK Program is offered. These requirements are based on a person's participation in a state or federal support program(s) or by meeting certain income requirements based upon the Income Poverty Guidelines as defined by the US Government. Federal law limits the availability of the Q LINK Program. The Q LINK Program allows one (1) enrollment per "household". The Q LINK Program permits only one Lifeline benefit per household, therefore, no person currently living in the household may receive Lifeline benefits from any other Lifeline program. Applicants for the Q LINK Program must complete an application form, provide supporting documentation that they meet the eligibility requirements and certify, under penalty of perjury, that they:

- Are eligible for and currently receive benefits from the public assistance program(s) identified in the application form.
- Do not currently receive Lifeline support for a telephone line serving their residential address and no other resident in their household participates in the Lifeline program. If the applicant is already participating in another Lifeline program, then the applicant agrees to cancel their current household Lifeline support provider in order to enroll in the Q LINK Program.
- Will notify Q LINK WIRELESS by calling 1-855-QLINK43 (1-855-754-6543) - if and when they no longer qualify for any of the public assistance programs identified in their application form.
- Will notify Q LINK WIRELESS of any change of address by calling 1-855-QLINK43 (1-855-754-6543).
- Reviewed the information contained in their application and it is true and correct to the best of their knowledge and belief. Applicants who qualify and are enrolled in the Q LINK Program will receive a free cellular phone provided by Q LINK WIRELESS together with a free allotment of minutes each month for up to one year. Q LINK WIRELESS will determine at its sole discretion whether an applicant meets the eligibility requirements to participate in the Q LINK Program. The monthly minutes provided by the Q LINK Program will vary from state to state. Please call Q LINK WIRELESS at 1-855-QLINK43 (1-855-754-6543) or visit our website for further information.

Applicants who do not meet the eligibility requirements will receive written notification, via US Mail, of the reason for their non-eligibility. Upon enrollment in the Q LINK Program, you will be qualified to participate for up to one (1) year. To continue your enrollment in the Q LINK Program after the initial year, you must verify annually that you are qualified for continued enrollment in the Q LINK Program as required by your state Public Service Commission, Public Utility Commission or other agency administering the Q LINK Program in your state. Q LINK WIRELESS will also conduct verification drives for each state according to its rules. If Q LINK WIRELESS determines during its verification drive, or at any other time, that a customer fails to continue to qualify for the Q LINK Program, such customer will immediately be deemed ineligible to participate in the Q LINK Program, will be de-enrolled from the Q LINK Program and will no

longer receive the free monthly minutes. Q LINK Customers who are no longer eligible (for any reason) for enrollment in the Q LINK Program must immediately notify Q LINK WIRELESS that they no longer meet the eligibility requirements for enrollment. A Q LINK customer's enrollment may also be cancelled upon the request of a state and/or federal authority.

Q LINK WIRELESS reserve the right to cancel the enrollment of any customer and/or permanently deactivate any customer's Q LINK WIRELESS phone for fraud, misrepresentation or other misconduct as determined solely by Q LINK WIRELESS. While participating in the Q LINK Program, a customer shall not be permitted to sell, rent, give away or in any way allow another person to use the cellular phone or Q LINK Service provided to him/her by Q LINK WIRELESS. IT IS A VIOLATION OF FEDERAL AND STATE LAW TO SELL OR GIVE AWAY THE Q LINK CELLULAR PHONE OR Q LINK SERVICE PROVIDED TO YOU BY Q LINK WIRELESS. Any violation of this prohibition will be reported to the appropriate legal authorities for prosecution. In addition, if Q LINK determines, in its sole discretion, that a Q LINK WIRELESS customer has violated these prohibitions, Q LINK WIRELESS will then permanently de-enroll the customer from the Q LINK Program, their phone will be permanently deactivated and the customer's personal information will be permanently flagged so that the customer may not re-enroll in the Q LINK Program in the future. If you have any questions, concerns, comments or complaints regarding the Q LINK Program or Service, offerings or products, please call Q LINK WIRELESS Customer Care at 1-855-QLINK43 (1-855-754-6543). You may also contact your state's Public Service Commission/Public Utility Commission.

2. ACTIVATION AND USE OF YOUR Q LINK WIRELESS PHONE.

Upon enrollment in the Q LINK Program, you will receive a pre-activated Q LINK WIRELESS phone delivered to your home address noted in the application. You must accept the Q LINK WIRELESS telephone number assigned to your Q LINK WIRELESS phone at the time of activation and you will acquire no proprietary interest in any number assigned to you. The WIRELESS telecommunications networks used to transmit calls for the Q LINK WIRELESS Service are owned and operated by various licensed commercial mobile radio service providers ("Carriers"). The number assigned to your Q LINK WIRELESS phone at the time of activation will not be changed for any reason unless required by a Carrier or if the number is lost following the deactivation of your phone. You may not select a number to be assigned to your Q LINK WIRELESS phone. Your Q LINK WIRELESS phone can only be used through Q LINK WIRELESS, and cannot be activated with any other WIRELESS or cellular service. Q LINK WIRELESS Services are provided at Q LINK WIRELESS' discretion. Some functions and features referenced in the Manufacturer's manual provided with your Q LINK WIRELESS phone may not be available on your Q LINK WIRELESS handset. Q LINK WIRELESS may modify or cancel any Q LINK Service or take corrective action at any time without prior notice and for any reason, including but not limited to your violation of these terms and conditions of service.

3. MINUTE RATES, USAGE AND INCLUDED MONTHLY MINUTES.

While you are enrolled in the Q LINK Program, you will receive a free monthly allotment of minutes as provided for the Q LINK Program approved in your state and the minute Plan that you select. Q LINK WIRELESS Minute is issued in minute (or unit) increments. Units are deducted from the Q LINK WIRELESS phone at a rate of one (1) unit per minute or partial minute of use. There is no additional charge for nationwide long distance. If you are on Plan 1, there is no additional charge for international long distance to countries designated on our website. Q LINK offers three plans that are currently available to all new and existing Q LINK customers. Each plan offers different benefits, features and carryover options. The three Plans that are currently available are:

	Free Monthly minutes Included in Plan	Unused minutes Carryover Each Month	Text Message Charge*	Free International Long Distance	Voicemail Caller ID Call Waiting
Plan 1	68 in all states	Yes	3 Texts/1 Minute	Yes	Yes
Plan 2	125	Yes	1 Text/1 Minute	No	Yes

Plan 3	250	No**	1 Text/1 Minute	No	Yes
---------------	-----	------	-----------------	----	-----

*These text-messaging rates will apply even if a different text-messaging rate is stated on minute cards.

**With Plan 3, your phone will reset to 250 minutes each month when your monthly minutes are delivered. Unused minutes will not automatically carry over to the next month. You may carry over unused minutes on this plan for up to three consecutive months if you purchase and add minutes from a Q LINK Minute Card. By purchasing and adding a Q LINK Minute Card your unused minutes (including your free monthly allotment and any additional Q LINK Minute Cards) will carry over for three consecutive months from the date of your last Q LINK Minute Card redemption. Adding more than one Minute Card at the same time will NOT extend your minute carry over for more than the three consecutive months. The 3 month carry over is effective from the date of redemption of the last Minute Card redeemed to your phone.

New Q LINK customers must choose a plan upon enrollment. Existing Q LINK customers who wish to switch plans may do so online or by calling 1-855-QLINK43 (1-855-754-6543). If you switch plans before the 25th day of any given month, the change will be effective the following month. If you switch plans on or after the 25th day of the month, the change will be effective in the second month following your request to switch plans. You may use your free monthly allotment of minutes to place or receive calls, to send or read text messages or multi-media messages and to access the internet (with certain models of phones). In order to receive your monthly allotment of minutes, you will need to leave your Q LINK WIRELESS phone powered "ON" during the first few days of each month. If you DO NOT receive your monthly allotment of minutes because your phone was not "ON" at the beginning of the month or your phone does not automatically retrieve minutes when powered "ON" you may self-retrieve by following the instructions below. If for any reason these instructions do not work on your handset, please call us.

Minutes will be deducted for all time during which your Q LINK WIRELESS phone is connected to, or using, the wireless system of any Carrier. Use of a wireless system typically begins when you press the "send," "call" or other key to initiate or answer a call and does not end until you press the "end" key or the call is otherwise terminated. Minutes are deducted for all incoming and outgoing calls, including incoming call waiting calls, simultaneous calls, calls to toll free numbers, 411, 611, Customer Care, and to access your voice mail. For simultaneous calls, such as incoming call waiting and 3-way calling (where available) minutes will be deducted for each call. Minutes are **not** deducted for calls to 911, and all handsets will be able to call 911 even if they have no minutes remaining. Customers in the State of Washington will not be charged for calls to Customer Care if they dial 611 directly from their handset. For outbound calls, you may be charged Minutes for incomplete and/or busy-no answer calls. Minutes will be deducted for use of other services such as text messaging and accessing the Q LINK WIRELESS Mobile Web ("WAP"). No credit or refund is given for dropped calls.

4. TEXT MESSAGING.

You may use your free monthly allotment of minutes to send and/or open text messages. Text messages sent to you by Q LINK WIRELESS are free of charge. The charge to send or open an incoming text message using your Q LINK WIRELESS phone will vary depending upon your plan. Under Plan 1, you will be charged 0.3 minute per text message for sending and 0.3 minute per text message for opening a received text message. Under Plans 2 and 3, you will be charged 1 minute per text message for sending and 1 minute per text message for opening a received text message. If you have exhausted your free monthly allotment of minutes, you will need to purchase and redeem additional minutes in order to continue to send text messages and open incoming text messages and to place and receive voice calls. If you do not want minutes deducted from your Q LINK WIRELESS phone for text messaging, then do not send text messages or open incoming text messages. Q LINK WIRELESS does not allow international text messages. Attempting to send international messages could result in service deactivation and de-enrollment from the Q LINK Program. Please note that Q LINK WIRELESS does not generally participate in Premium SMS services or campaigns. Premium SMS campaigns include activities such as casting a vote, expressing your opinion, playing a game, subscribing to a service, or interactive television programs. You should not attempt to participate in Premium SMS campaigns unless it is a Q LINK WIRELESS authorized campaign. Any text message you send to a "short code" will in all likelihood not go

through. Any charges you may incur because of any attempts to participate in Premium SMS services or campaigns not authorized by Q LINK WIRELESS are not refundable whether you incur charges as deductions from your Q LINK WIRELESS phone or from your credit card. You may purchase from Q LINK WIRELESS ring tones, graphics and certain information services. You may utilize multi-media services with certain Q LINK WIRELESS models of phones. See Q LINK WIRELESS Data Services below for more information.

5. INTERNATIONAL CALLING.

International calling is available. If you selected an International Plan, You may use your Q LINK WIRELESS phone to make international calls to landlines and some cellular phones in some countries at no additional charge (see website for available countries and details). The countries where international calling is available are subject to change at any time without prior notice. In order to place an international call, you will need to dial the International Long Distance ("ILD") access number and follow the instructions. Minute deductions for international calls begin the moment the ILD access number is dialed and apply to dropped calls, misdialled numbers and busy destination numbers. When placing international calls, you may experience connection failures more frequently than calls made within the United States. Q LINK WIRELESS will not credit minutes deducted for unsuccessful calls. You will not be able to make or receive calls on your Q LINK WIRELESS phone when you are located outside of the United States, Puerto Rico or the U.S. Virgin Islands (the "Coverage Area"). Any attempt to make or receive calls when you are located outside of the Coverage Area could result in service deactivation and de-enrollment from the Q LINK Program.

6. MINUTE CARDS.

Your Q LINK WIRELESS phone will only operate when you have minutes available on the Q LINK WIRELESS phone. If you run out of your free monthly allotment of airtime, you may purchase and add additional Minute to your phone. See the instructions above for adding airtime. As a Q LINK WIRELESS customer, you will receive 365 service days upon your enrollment and activation in the Q LINK Program and another 365 service days following each successful annual verification for your continued program eligibility in the Q LINK Program. If you fail to complete your annual verification within 90 days of the required verification date, you will be de-enrolled from the Q LINK Program. Upon de-enrollment from the Q LINK Program, you will cease receiving the free monthly allotment of airtime. If you are de-enrolled, your phone will remain active and you may continue to use your phone so long as you have available minutes and service days remaining on your phone. You may purchase Minute and service days to keep your phone service active. If you are de-enrolled from the Q LINK Program and you allow your remaining service days to expire or go "past due," your phone service will be deactivated, you may lose your unused minutes **and you will lose your wireless telephone number. If you choose to reactivate your phone by completing the annual verification within 60 days after your verification due date, you will be re-enrolled in the program and continue receiving the free monthly allotment of airtime.**

If your service is deactivated, you may reactivate your service by either re-enrolling in the Q LINK Program (if eligible) or purchasing and redeeming a Q LINK WIRELESS Minute card with service days. Upon reactivation of your phone, you may be assigned a new telephone number. Any minutes remaining on your handset at the time of deactivation will be reinstated if your phone is reactivated within 60 days from the deactivation date. If your phone remains inactive for more than 60 days, you will lose any remaining airtime. If you have been de-enrolled from the Q LINK Program and are not eligible to re-enroll but you wish to keep your service active, you must purchase and redeem additional Minute and service days before the "Service End Date" displayed on your phone. To prevent any interruption in your phone service, please keep your handset service active by timely completing your annual verification as required by the Q LINK Program or, if no longer eligible, by purchasing and adding Q LINK Minute cards before your Service End Date.

"No Usage" De-Enrollment and Deactivation: Regardless of the Service End Date displayed on your handset, if you exceed 2 months without any Usage (as defined in this section), you will be de-enrolled from the Q LINK Program. "Usage" is defined as any transaction including, but not limited to, making or receiving a call, sending or opening a text message, downloading data content, adding Minutes or receiving your free monthly airtime. In order to reactivate your Q LINK phone and re-enroll in the Q LINK Program, you will need to call Q LINK Customer Care. Upon successful re-enrollment, you will receive the monthly minutes that you were entitled to receive through the date your enrollment was cancelled. You will not, however, receive any minutes for the period of time you were not enrolled in the Q LINK Program. In addition, you will be assigned the service days displayed on your handset, which are the days you were granted when first enrolled in the program.

9. UNAUTHORIZED USAGE; TAMPERING.

The Q LINK WIRELESS handset is provided exclusively for use by you, the end consumer with the Q LINK WIRELESS Service available solely in the United States, Puerto Rico and the U.S. Virgin Islands. Any other use of your Q LINK WIRELESS handset, including without limitation, any resale, unlocking and/or re-flashing of the handset is unauthorized and constitutes a violation of your agreement with Q LINK WIRELESS. You agree not to unlock, re-flash, tamper with or alter your Q LINK WIRELESS phone or its software, enter unauthorized PIN's, engage in any other unauthorized or illegal use of your Q LINK WIRELESS phone or the Service, or assist others in such acts, or to sell and/or export Q LINK WIRELESS handsets outside of the United States. These acts violate Q LINK WIRELESS' rights and state and federal laws. Improper, illegal or unauthorized use of your Q LINK WIRELESS phone is a violation of this agreement and may result in immediate discontinuance of Services and legal action against you. Q LINK WIRELESS will prosecute violators fully of the law. You agree that any violation of this agreement through your improper, illegal or unauthorized use or sale of your Q LINK WIRELESS phone shall entitle Q LINK WIRELESS to recover liquidated damages from you in an amount of not less than \$5,000 per Q LINK WIRELESS handset purchased, sold, acquired or used in violation of this agreement.

Some Q LINK WIRELESS handsets have SIM cards. If your Q LINK WIRELESS phone has a SIM card, then you agree to safeguard your SIM card and not to allow any unauthorized person to use your SIM card. You agree not to allow any other person to, directly or indirectly alter, bypass, copy, deactivate, remove, reverse-engineer or otherwise circumvent or reproduce the encoded information stored on, or the encryption mechanisms of, your SIM card. You may not remove your SIM Card from your phone nor place the SIM Card in any other phone. Doing so could result in the immediate termination of your service and de-enrollment from the Q LINK Program. The Carriers, Q LINK WIRELESS, or its service providers, may, from time to time, remotely update or change the encoded information on your SIM card. Your Q LINK WIRELESS phone is restricted from operating when you are located anywhere outside of the United States, Puerto Rico or the U.S. Virgin Islands, including offshore or in international waters. In the event of suspension for this or any other unauthorized usage, you will not be entitled to receive any refunds for unused airtime.

10. COVERAGE MAPS AND ROAMING.

You will find coverage maps on our website. These maps are for general informational purposes only. Actual coverage and service areas may vary from the maps and may change without notice. Q LINK WIRELESS does not guarantee coverage or service availability. Even within a coverage area, factors such as terrain, weather, structures, foliage, signal strength, traffic volumes, service outages, network changes, technical limitations, and your equipment may interfere with actual service, quality and availability. "Roaming" occurs when a subscriber of one wireless service provider uses the facilities of another wireless service provider. Roaming most often occurs when you make and receive calls outside of the network coverage area of your service provider. When your Q LINK WIRELESS phone is roaming, an indicator light on your handset may display the word "Roam" or "RM" on the screen while the phone is not in use. There are no additional charges for domestic roaming calls for the Q LINK WIRELESS phone you were provided. Availability, quality of coverage and Services while roaming are not guaranteed.

11. LIMITATIONS OF SERVICE AND USE OF EQUIPMENT.

Service is subject to transmission limitations caused by certain equipment and compatibility issues, atmospheric, topographical and other conditions. Further, service may be temporarily refused, limited, interrupted or curtailed due to system capacity limitations, technology migration or limitations imposed by the Carrier, or because of equipment modifications, upgrades, repairs or relocations or other similar activities necessary or proper for the operation or improvement of the Carrier's radio telephone system. At any time, Q LINK WIRELESS reserves the right to substitute and/or replace any Q LINK WIRELESS equipment (including handsets) with other Q LINK WIRELESS equipment including handsets of comparable quality. Some functions and features referenced in the Manufacturer's manual for a particular

Q LINK WIRELESS handset may not be available on your phone. Q LINK WIRELESS does not warrant or guarantee availability of network or of any Services at any specific time or geographic location or that the Services will be provided without interruption. Neither Q LINK WIRELESS, nor any Carrier, shall have any liability for service failures, outages or limitations of Service. Because of the risk of being struck by lightning, you should not use your Q LINK WIRELESS phone outside during a lightning storm. You should also unplug the Q LINK WIRELESS phone power cord and charger to avoid electrical shock and/or fire during a lightning storm.

12. WARRANTY EXCHANGE AND LOST OR STOLEN PHONE POLICY.

Limited Warranty Exchange Policy: Q LINK WIRELESS customers shall have up to one year from the activation date of their phone to return any defective phone to Q LINK WIRELESS. Q LINK WIRELESS will exchange a defective phone for a new or refurbished phone, at Q LINK s' discretion, during this period only pursuant to the terms of the Limited Warranty set forth below. For a defective phone replacement, call Q LINK WIRELESS Technical Customer Service.

13. Lost or Stolen Phone Policy: For any lost or stolen Q LINK WIRELESS phone, you may request and receive only one replacement phone per customer. The replacement phone will be a refurbished phone. All reported lost and stolen phones will be permanently deactivated. The replacement phone will include only 10 minutes of lost airtime. Any additional Minutes that you may have had on your lost phone will not be replaced. In the event you lose your replacement phone or it is stolen, you will need to purchase an additional phone. If a phone is lost or stolen while in transit to the customer before the customer receives the phone, the lost phone and minutes may be replaced as a onetime courtesy in Q LINK's sole discretion.

14. DISCLAIMER OF WARRANTIES.

EXCEPT FOR THE LIMITED WARRANTY SET FORTH IN THESE TERMS AND CONDITIONS, AND TO THE EXTENT PERMITTED BY LAW, THE SERVICES AND DEVICES ARE PROVIDED ON AN "AS IS" AND "WITH ALL FAULTS" BASIS AND WITHOUT WARRANTIES OF ANY KIND. WE MAKE NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE CONCERNING YOUR SERVICE OR YOUR DEVICE. WE CANNOT PROMISE UNINTERRUPTED OR ERROR-FREE SERVICE AND DO NOT AUTHORIZE ANYONE TO MAKE ANY WARRANTIES ON OUR BEHALF. WE DO NOT GUARANTEE THAT YOUR COMMUNICATIONS WILL BE PRIVATE OR SECURE; IT IS ILLEGAL FOR UNAUTHORIZED PEOPLE TO INTERCEPT YOUR COMMUNICATIONS, BUT SUCH INTERCEPTIONS CAN OCCUR.

15. HEARING, VISUAL OR SPEECH IMPAIRED ACCOMMODATIONS.

Any hearing, visual or speech impaired persons interested in applying for a specially equipped Q LINK WIRELESS must call Q LINK WIRELESS and specify the need(s) to an agent and Q LINK WIRELESS will make every effort to assist such customer in obtaining a handset that is in compliance with all applicable laws, rules, and regulations.

16. EMERGENCY CALLS.

Q LINK WIRELESS customers have access to 911. Occasionally, however, callers may attempt to call 911 in areas where there is no wireless coverage. If there is no wireless coverage, your call to 911 may not go through and you should dial 911 from the nearest landline phone.

17. DATA SERVICES.

With certain Q LINK WIRELESS phone models, you can download ring tones, graphics, access information services such as news, weather and sports ("Information Services") and utilize multi-media messaging services ("MMS") (ringtones, graphics, Information Services and MMS are collectively referred to as "Data Services") through our wireless Mobile Web ("WAP"). Data Services are additional Services offered by us at an additional charge in the form of a debit of minutes for your use of such services.

Accessing and Purchasing Data Services. In order to purchase, download or access Data Services,

your handset must have active service and sufficient available Minutes. Your handset will not let you open the WAP browser without a remaining minute balance of at least 10 minutes. Each time you access our wireless WAP with your handset's browser, 0.5 units per minute will be deducted from your handset ("Access Charges"). Access Charges are deducted in full minute increments. WAP access of less than 60 seconds is rounded up to the next full minute. Access Charges begin when your handset makes a data connection. This should occur shortly after you open your browser, send or receive a multi-media message (e.g., a picture), initiate a content download, view subscribed Information Services or if WAP access is initiated for any other purpose. Access Charges end when the data connection terminates. This should occur shortly after you close your browser, successfully receive or send a multi-media message (e.g., a picture), after a successful content download or after any other closure of a WAP session. The WAP access duration and the related Access Charges are NOT determined from the exact moment you press a button on your handset to open or close the browser.

In addition to the Access Charges, there will be an additional one-time charge for any content you select to download ("Content Charge"). The Content Charges vary depending on the type of content. You will be advised of the Content Charges prior to finalizing your purchase. The Data Services you purchase and download may only be used or viewed on the handset for which they were purchased and cannot be transferred to any other device, including a new or replacement handset.

Modifications, Interruptions, or Discontinuation of Data Service. Q LINK WIRELESS does not guarantee the availability of Data Services on all of its phone models nor does it guarantee the availability of Data Services at all times. Q LINK WIRELESS reserves the right to modify, suspend, interrupt, discontinue or permanently cancel Data Services, or portions thereof, without notice. Data Services are not available in certain areas. Q LINK WIRELESS is not responsible and will not be liable for any modifications, interruptions or discontinuation of the Data Services or for any failure in receipt of the purchased Data Services. If the Data Services, or any part thereof, for which you subscribe, are modified, interrupted, discontinued or canceled, you will not receive a refund or credit from Q LINK WIRELESS for any remaining used or unused subscription time. If you cancel or attempt to cancel a Data Service download, a subscription purchase or a multi-media message in progress, or if this process is otherwise interrupted through no action on your part, you may nevertheless be charged in accordance with the terms and conditions set forth herein.

18. LIMITATION OF LIABILITY. Q LINK and Q LINK WIRELESS are not liable to you for any direct or indirect, special, incidental, consequential, exemplary or punitive damages of any kind, including lost profits (regardless of whether it has been notified such loss may occur) by reason of any act or omission in its provision of equipment and/or Services. Q LINK and Q LINK WIRELESS will not be liable for any act or omission of any other company furnishing a part of our Services or any equipment or for any damages that result from any service or equipment provided by or manufactured by third parties. When your Q LINK WIRELESS phone is returned to Q LINK WIRELESS for any reason, Q LINK WIRELESS is not responsible and shall not be liable to you or anyone else for any personal information such as user names, passwords, contacts, pictures, SMS, MMS and/or additional downloads you may have stored on your phone or which may remain on your phone.

19. INDEMINIFICATION.

You agree to indemnify and hold harmless Q LINK WIRELESS and All Affiliated or related companies from any and all liabilities, penalties, claims, causes of action, and demands brought by third parties (including the costs, expenses, and attorneys' fees on account thereof) resulting from your use of a Q LINK WIRELESS phone and/or use of the Q LINK WIRELESS Services, whether based in contract or tort (including strict liability) and regardless of the form of action.

20. BINDING ARBITRATION. PLEASE READ THIS SECTION CAREFULLY AS IT AFFECTS RIGHTS THAT YOU MAY OTHERWISE HAVE. IT PROVIDES FOR RESOLUTION OF ALL DISPUTES AND CLAIMS (INCLUDING ONES THAT ALREADY ARE THE SUBJECT OF LITIGATION), EXCEPT FOR CLAIMS CONCERNING THE UNAUTHORIZED RESALE, EXPORT, ALTERATION, AND/OR

TAMPERING OF YOUR Q LINK WIRELESS PHONE, ITS SOFTWARE, THE SERVICE AND/OR PIN NUMBERS, THROUGH ARBITRATION INSTEAD OF SUING IN COURT IN THE EVENT THE PARTIES ARE UNABLE TO RESOLVE A DISPUTE OR CLAIM. ARBITRATION IS BINDING AND SUBJECT TO ONLY A VERY LIMITED REVIEW BY A COURT. THIS ARBITRATION CLAUSE SHALL SURVIVE TERMINATION OF Q LINK WIRELESS™ AGREEMENT WITH YOU.

This provision is intended to encompass all disputes or claims arising out of your relationship with Q LINK WIRELESS, arising out of or relating to the Q LINK Service or any equipment used in connection with the Q LINK Service (whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory). Nothing contained in this arbitration provision shall preclude Q LINK WIRELESS from bringing claims concerning the unauthorized resale, export, alteration, and/or tampering of your Q LINK WIRELESS phone, its software, the Q LINK Service and/or PIN numbers, in state or federal court. References to you and Q LINK WIRELESS include our respective subsidiaries, affiliates, predecessors in interest, successors, and assigns. All claims, except those excluded above, will be resolved by binding arbitration where permitted by law. You must first present any claim or dispute to Q LINK WIRELESS by contacting Customer Care to allow an opportunity to resolve the dispute prior to initiating arbitration. The arbitration of any dispute or claim shall be conducted in accordance with the American Arbitration Association ("AAA") under the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules"), as modified by this agreement. You and Q LINK WIRELESS agree that use of the Q LINK Service evidences a transaction in interstate commerce and this arbitration provision will be interpreted and enforced in accordance with the Federal Arbitration Act and federal arbitration law. All issues are for the arbitrator to decide, including the scope of this arbitration clause, but the arbitrator is bound by the terms of this agreement. You and Q LINK WIRELESS agree that any arbitration will be conducted on an individual basis and not on a consolidated, class wide or representative basis. Further, you agree that the arbitrator may not consolidate proceedings or more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding, and if this preclusion of consolidated, class wide or representative proceedings is found to be unenforceable, then this entire arbitration clause shall be null and void. All fees and expenses of arbitration will be divided between you and Q LINK WIRELESS in accordance with the AAA Rules, except that Q LINK WIRELESS will reimburse you for the filing fee in the event you prevail in the arbitration. Each party will bear the expenses of its own counsel, experts, witnesses, and preparation and presentation of evidence. If for any reason this arbitration provision is deemed inapplicable or invalid, or to the extent this arbitration provision allows for litigation of disputes in court, you waive to the fullest extent permitted by law, (i) the right to a trial by jury and (ii) any claims for punitive or exemplary damages. Unless Q LINK WIRELESS and you agree otherwise, the location of any arbitration shall be Dania, Florida. Except where prohibited by law, Q LINK WIRELESS and you agree that no arbitrator has the authority to award punitive damages or any other damages not measured by the prevailing party's actual damages. Neither you nor Q LINK WIRELESS shall disclose the existence, contents, or results of any arbitration, except to the extent required by law. Judgment on the award rendered may be entered by any court of competent jurisdiction.

This Agreement shall be construed under the laws of Florida, without regard to its choice of law rules, except for the arbitration provision contained in these Terms and Conditions, which will be governed by the Federal Arbitration Act. This governing law provision applies no matter where you reside, or where you use or pay for the Services.
